Notes to results

- 1 There are some changes since the night mostly because when I checked the codeboards a couple of people had a signature which covered an empty box.
- 2 Apologies that some of the Carlton crews should have run as novices, but this information failed to get through.
- 3 If anybody wants a copy of the handouts, novice hints or a scan of their time card let me know.
- 4 Penalties in a grey box are for taking a time ahead of due time.
- 5 The club challenge was score by looking at the top 3 from each club and allocating points:- 1st = 12points, 2nd = 11 points and so on.
