

The CHRISTMAS 12 Car Rally

Tuesday 3RD DECEMBER 2019

Festive frolics around the lanes with around 55 miles of competitive motoring in Nottinghamshire on Map 129 (latest edition required), organised by Richard Lumb.

Start and finish at the Salutation Inn, Keyworth (129/613305) – first car away at 8:00. Navigation will be varied but straightforward with help sheets for novices and plotting in advance for beginners.

This Christmas event is for crews from both Carlton & District MC and Loughborough Car Club so we are inviting entries in equal numbers. Enter via your Competition Secretary or by email to rplumb@ntlworld.com, specifying your club and your status, i.e. expert/novice/beginner.

Marshals are required, the more the merrier! Shorter sections increase the variety of route instructions and the level of enjoyment, but these rely upon marshals in depth. If you can bring a family member to team up with an experienced club member for the evening please let us know.

We can't promise snow or blizzards but look forward to seeing you on the night.

Richard Lumb
