Please fuel before you present your car for Noise & Scrutineering the nearest services are located at 129/591, 106.5 (A46/A6) before proceeding to the Start Venue.

Please ensure you have sufficient fuel to cover at least 60 miles prior to the start, There is fuel available near the halfway point.

### New Motorsport UK RS Clubman licence from 2020

From January 2020, Motorsport UK introduced a requirement for all competitors in Motorsport UK permitted events to hold a Motorsport UK competition licence; in addition to your club membership. This will be at a minimum the new RS Clubman licence. This applies to new competitors as well as to anyone previously competing solely with a club membership card.

The good news is that this entry-level, RS Clubman licence, will be free.

<https://www.motorsportuk.org/get-started/2020-rs-clubman-licence/>

Please note: an RS Clubman licence is not required if you are already in possession of a current 2020 Competition licence.

### SIGNING ON & SCRUTINEERING WILL OPEN AT 21.30 AND CLOSE AT 22.30

Drivers are required to present the following.

- Current MOT certificate
- Motorsport UK Licence (see above) and a valid club membership card

Navigators are required to present

- Motorsport UK Licence (see above) and a valid club membership card

# Morning Mist Half Night Rally 2020

## Final Instructions

### ABBREVIATIONS:

The route instructions include the following abbreviations:

CRO	Coloured Roads Only (no Whites)
CAR	Consider All Roads (inc. Whites)
LWR NAM	Long Way Round a Not As Map Junction.
LHS	Left Hand Side
GW	Give Way

### CONTROLS:

Please refer to the event regulations for the types of controls used in the event. Competitors are reminded that the onus of ensuring that they receive the correct time rests with them.

This means that you should ensure that marshals select the correct time, add their signature and sign for any code boards if required.

### ROUTE CHECKS:

Route Checks/Passage Controls will be in the form of part of a car registration plate with not more than 5 Black characters. A maximum of 2 wrong characters will be allowed without any penalty providing it resembles the original code. A sample will be on display at signing-on.

### QUIET ZONES:

All built up areas & Neutral Sections will be classed as Quiets (Dipped Beam only and highest gear possible).

### TRAILERS:

Competitors bringing their cars to the event on trailers will be able to leave the trailers and tow cars at the start and finish venue at their own risk. (Due to the rains the field may be very muddy)

### REJOIN POINTS:

MTC 2: 748 189

MTC 4 623 183

### RESULTS:

An indication of performance will be produced at the finish. Provisional results will be put on website within 48 hours.

**The organisers trust that you will have an enjoyable night's sport and wish you all GOOD LUCK.**

**Should you require any further details, please do not hesitate to contact us.**
